## DEDICATION

**MR.** THOMAS P. CHAMBERS has been at St. Ignatius High School for twenty-five years. During these years he has made himself many friends both among his colleagues, Jesuit and laymen, and among the thousands of boys whom he has seen come and go. He has ever labored in the manner of a man sincerely interested in helping and directing Catholic boys during the years in which they are becoming men.

It is with genuine gratitude and appreciation that we, who first felt the friendship of Mr. Chambers in 1945, dedicate the **IGNATIAN** of 1949 to him.

FOUR years ago, shortly after the close of World War II, we Seniors entered St. Ignatius High School. It truly seems difficult to believe that it has come to an end. Strictly speaking, the only things that have come to an end are the daily street-car rides, the duties, pleasures and small knocks from early morning until the close of the school day. This ending, this leaving of St. Ignatius High School, is just a beginning of the mature Catholic lives we are to live. We feel that we have grown up some. We know that along with our physical and emotional growing-up we have been abundantly aided by our Jesuit teachers to grow up mentally and spiritually. For this, and for having been given the realization that our job in life is to become "stars" in the Eyes of God we shall ever be sincerely grateful.

## Varsity Football

**W**ITH an entirely new coaching staff, and numerous new faces in player personnel, the 1948 edition of the St. Ignatius Wildcats vaulted from the previous year's cellar to fourth place with two wins, two ties, and five losses.

Coaches Fred George and John Wirtz, both former Dayton University gridders, guided the team. Mr. George hails from Lima's St. Rose High, where he led his basketball team to the state finals during the 1947-48 cage season. After leaving Lima, Coach George was awarded the "Coach of the Year" award for the city of Lima on New Year's Day, 1949. An honor well deserved! Mr. Wirtz was head coach of football, basketball, baseball, track, and swimming at St. Mary's in Columbus before coming to Ignatius. In his second year at Columbus school he guided his teams to a "mere five" Catholic City Championships. Next year will be his second year at Ignatius and he will be trying to repeat his great record. Let's hope he hits the top again.

Jim Darcy, stellar senior fullback, merited All-West Senate fullback, and Larry Dolan gained All-Catholic at fullback also. Tackle Jack Reilly was chosen by the Cleveland Press as "Presstar of the Week" for his rugged line play in the Lincoln game. Jim Darcy also received honorable mention for the Press award.

Leo Weithman proved that a serious eye injury didn't affect his right foot by kicking two field goals and a number of extra points during the season. Larry Dolan, Jim Darcy, Jim Porter, Don MacLaughlin and Ed Kaczur furnished the scoring power, running and passing.

Other outstanding players were Carl Nickels, Jim Murry, George Murray, Dave Harley, Emmett Shaughnessy, Chuck Morgan, Gene Mio, Jerry Weber, Jim Ledvina and Ray McCool.

### WEST HIGH

After fighting a see-saw battle for three quarters, West took advantage of "crossed signals" between Ignatius center and back-field as end Steve Mazur tackled Don Hoke, who held the ball, in the end zone.

Ignatius fought back but couldn't cross the final white stripe. The Cat line stopped two Cowboy attacks on the four- and three-yard lines at different intervals of the game.

### CATHEDRAL LATIN

Ignatius battled the mighty Lions to a 0 to 0 halftime score. Jerry Mullin intercepted one of Carl Nickel's aerals and carried the pigskin 46 yards to the two-yard line where Jack Neiser carried over. Jack Wise converted.

In the fourth quarter Latin quarterback Jack Wise passed to Bob Lambert to place the ball on the Ignatius six from where Tom Marko carried through the center of the line for the T.D.

### SOUTH

The Saints hit paydirt twice during the South contest, displaying the long-lacking offensive power. Just before halftime, Larry Dolan hit "Ace" McLaughlin with a short pass which "Mac" gathered in and scooted 75 yards with the ball. Leo Weithman split the uprights to make the score read 21 to 7, South.

Another pass—this one from Don Hoke to Jim Darcy picked up 45 yards and another six-pointer.

End Al Dekka scored 13 points for the "West Senate Champs" as they took the Cat's measure 33 to 13.

### JOHN MARSHALL

Following a scoreless first quarter, the Wildcats let loose with two counters and gained a 13 to 0 lead. Jim Darcy tallied the first on a 16-yard pass from Dolan. Weithman kicked the point. A few minutes later Dolan chalked up one himself but the extra-point try was wide, due to a strong wind.

"Sun-Dance" Darcy carried over from the two for the last Cat touchdown. The try for the point failed again.

With 30 seconds of play left in the game, Skip Weithman calmly booted a 31-yard field goal against the wind to put the lid on the game.

### HOLY NAME

The luck of the Irish prevailed once again as the Namers turned a last minute fake field goal into a touchdown and the points necessary to put down the stubborn Ignatius eleven.

Jimmy Darcy slashed off tackle in the second quarter and "Skip" Weithman converted to give Ignatius a 7 to 0 halftime lead.

Holy Name added a T.D. in the third stanza but the point was no good and the Cats still led 7 to 6 with three minutes left. Then came the Holy Name lifesaver.

### BENEDICTINE

West Tech field, October 23, 1948, was the scene of the biggest "upset" of the scholastic football season. Benedictine, a no-less-than-40-point favorite, got the scare of their lives. The final score was Benedictine 6, Ignatius 3, but it shows little of how the "Battering Bengals" were battered.

"Skip" Weithman sent the ball through the goal post from the 22-yard line. He tried again in the fourth quarter from the forty, but it fell five yards short.

The Cleveland News and Press gave Ignatius the "Almost Biggest Upset of the Year" and "Best Game of the Year" awards for this splendid game.

### WEST TECH

Ignatius scored in every period to beat West Tech 26 to 21. Ed Kaczur passed to Dolan in the first quarter for a T.D. and "Skip" Weithman added the point to tie the score 7 to 7. Dolan passed 22 yards to McLaughlin who ran the remaining 46 yards and Ignatius led 13 to 7. Tech scored 7 points and took the lead 14 to 13 at halftime.

Kaczur went over from the 21-yard line but Tech added another also. Then Jim Porter scored and Weithman converted to win the game.

## RHODES

Don "Ace" McLaughlin intercepted a pass of Rhodes' Q. B. Fox and streaked 40 yards in the first quarter. Ignatius led 6 to 0 until the fourth quarter when Bill Green heaved a 15-yard pass to Ozzie Klamet which tied the score 6 to 6. Dave Graydon's important try for the extra point was foiled by Jim Murray. It was Rhodes' fourth tie and Ignatius' first in four years.

## LINCOLN

One of the fiercest battles waged by Ignatius in many a year was played in the mud, rain, and cold at West Tech Field, November 13th. The game ended in a 0 to 0 tie. Neither team passed their opponents' 2-yard line during the four quarters.

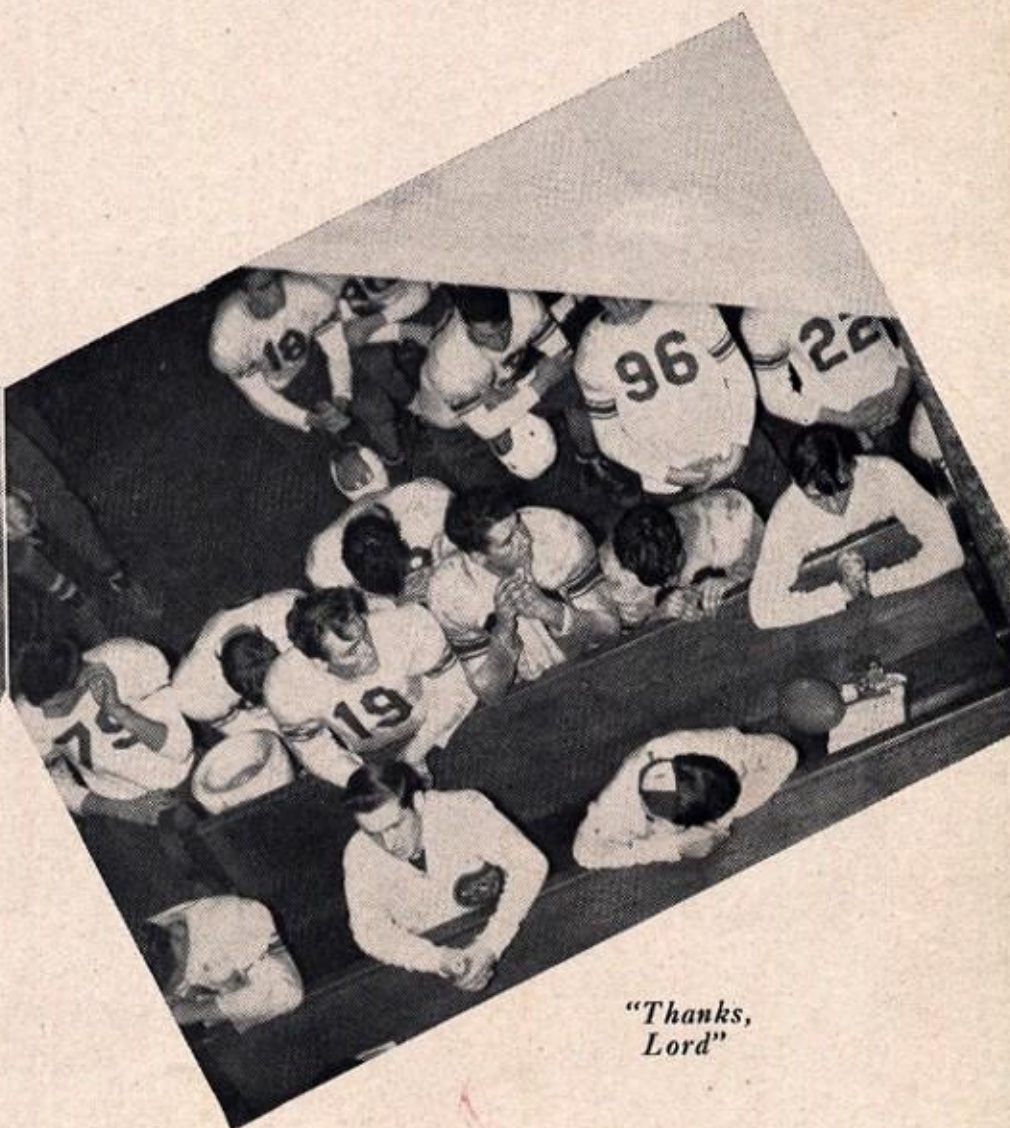

Jerry Weber and Jack Reilly continually stopped high-scoring John Repka from gaining yardage.

All during the week preceding the Lincoln tussle Coach Fred George had Dick Soucie and Jim Schram use the plays of Repka, and on the day of the game the line was prepared for him, which the score well indicates:

## Jay Vee Football

**S**PARKED by high-scoring halfbacks Paul Brubeck and Jim Schram, the Jay Vee squad compiled a record of four wins against three setbacks, all very close games. Lincoln was the first to taste bitter defeat at the hands of the "Scopelmen" by a 19-0 count. Highlight of the contest was John Gill's 70-yard run with an intercepted pass.

Quarterback Jerry Sullivan scooped in a pass from Gill to drop Marshall, 6-0. Because of the well-earned promotion of Pat Cannon, Ray McCool, and Jack McDonnell to the Varsity squad, the young Cats suffered two losses, to Benedictine, 13-7, and to Rhodes, 13-12. Brubeck and Schram chalked up five more touchdowns in defeating West Tech and Glenville. Both halfbacks finished the season with four TD's apiece.

In the South game, a playoff for the West Senate Trophy, the Flyers trapped Schram behind the goal for two points and the West Side Championship. Other players attracting much attention in Coach Bill Scopel's lineup were: Pat McDonnell, Dick Brennan, Jim Wallace, Jim Hubert, Joe Duffley, Chuck Blackburn, Felix Spittler, and Bob Keller.

## Freshman Football

**I**N his second year as freshman coach, Mr. Tom Raleigh led his "chargers" to an impressive record of two wins, two losses, and one tie.

Starting in early September he instructed his grid stalwarts in the arts of blocking, running, and tackling which paid off not only in the first game of the season, when the Wildkittens edged Lincoln, 6-0, on a 60-yard pass interception by Co-captain Don Mack, but in each of the five contests the team played.

Another pass interception—this one a brilliant 55-yard runback by Joe Cooke—proved to be the margin of victory over John Marshall, 7-0. Dave Demko added the extra point on a line plunge.

Holy Name fought the Kittens to a scoreless tie; Latin and Collinwood gained decisive victories.

Coaches Raleigh and Tom McMahon, both former Ignatius gridders, commended all the boys on their eagerness to learn and put into play the fundamentals of the game.

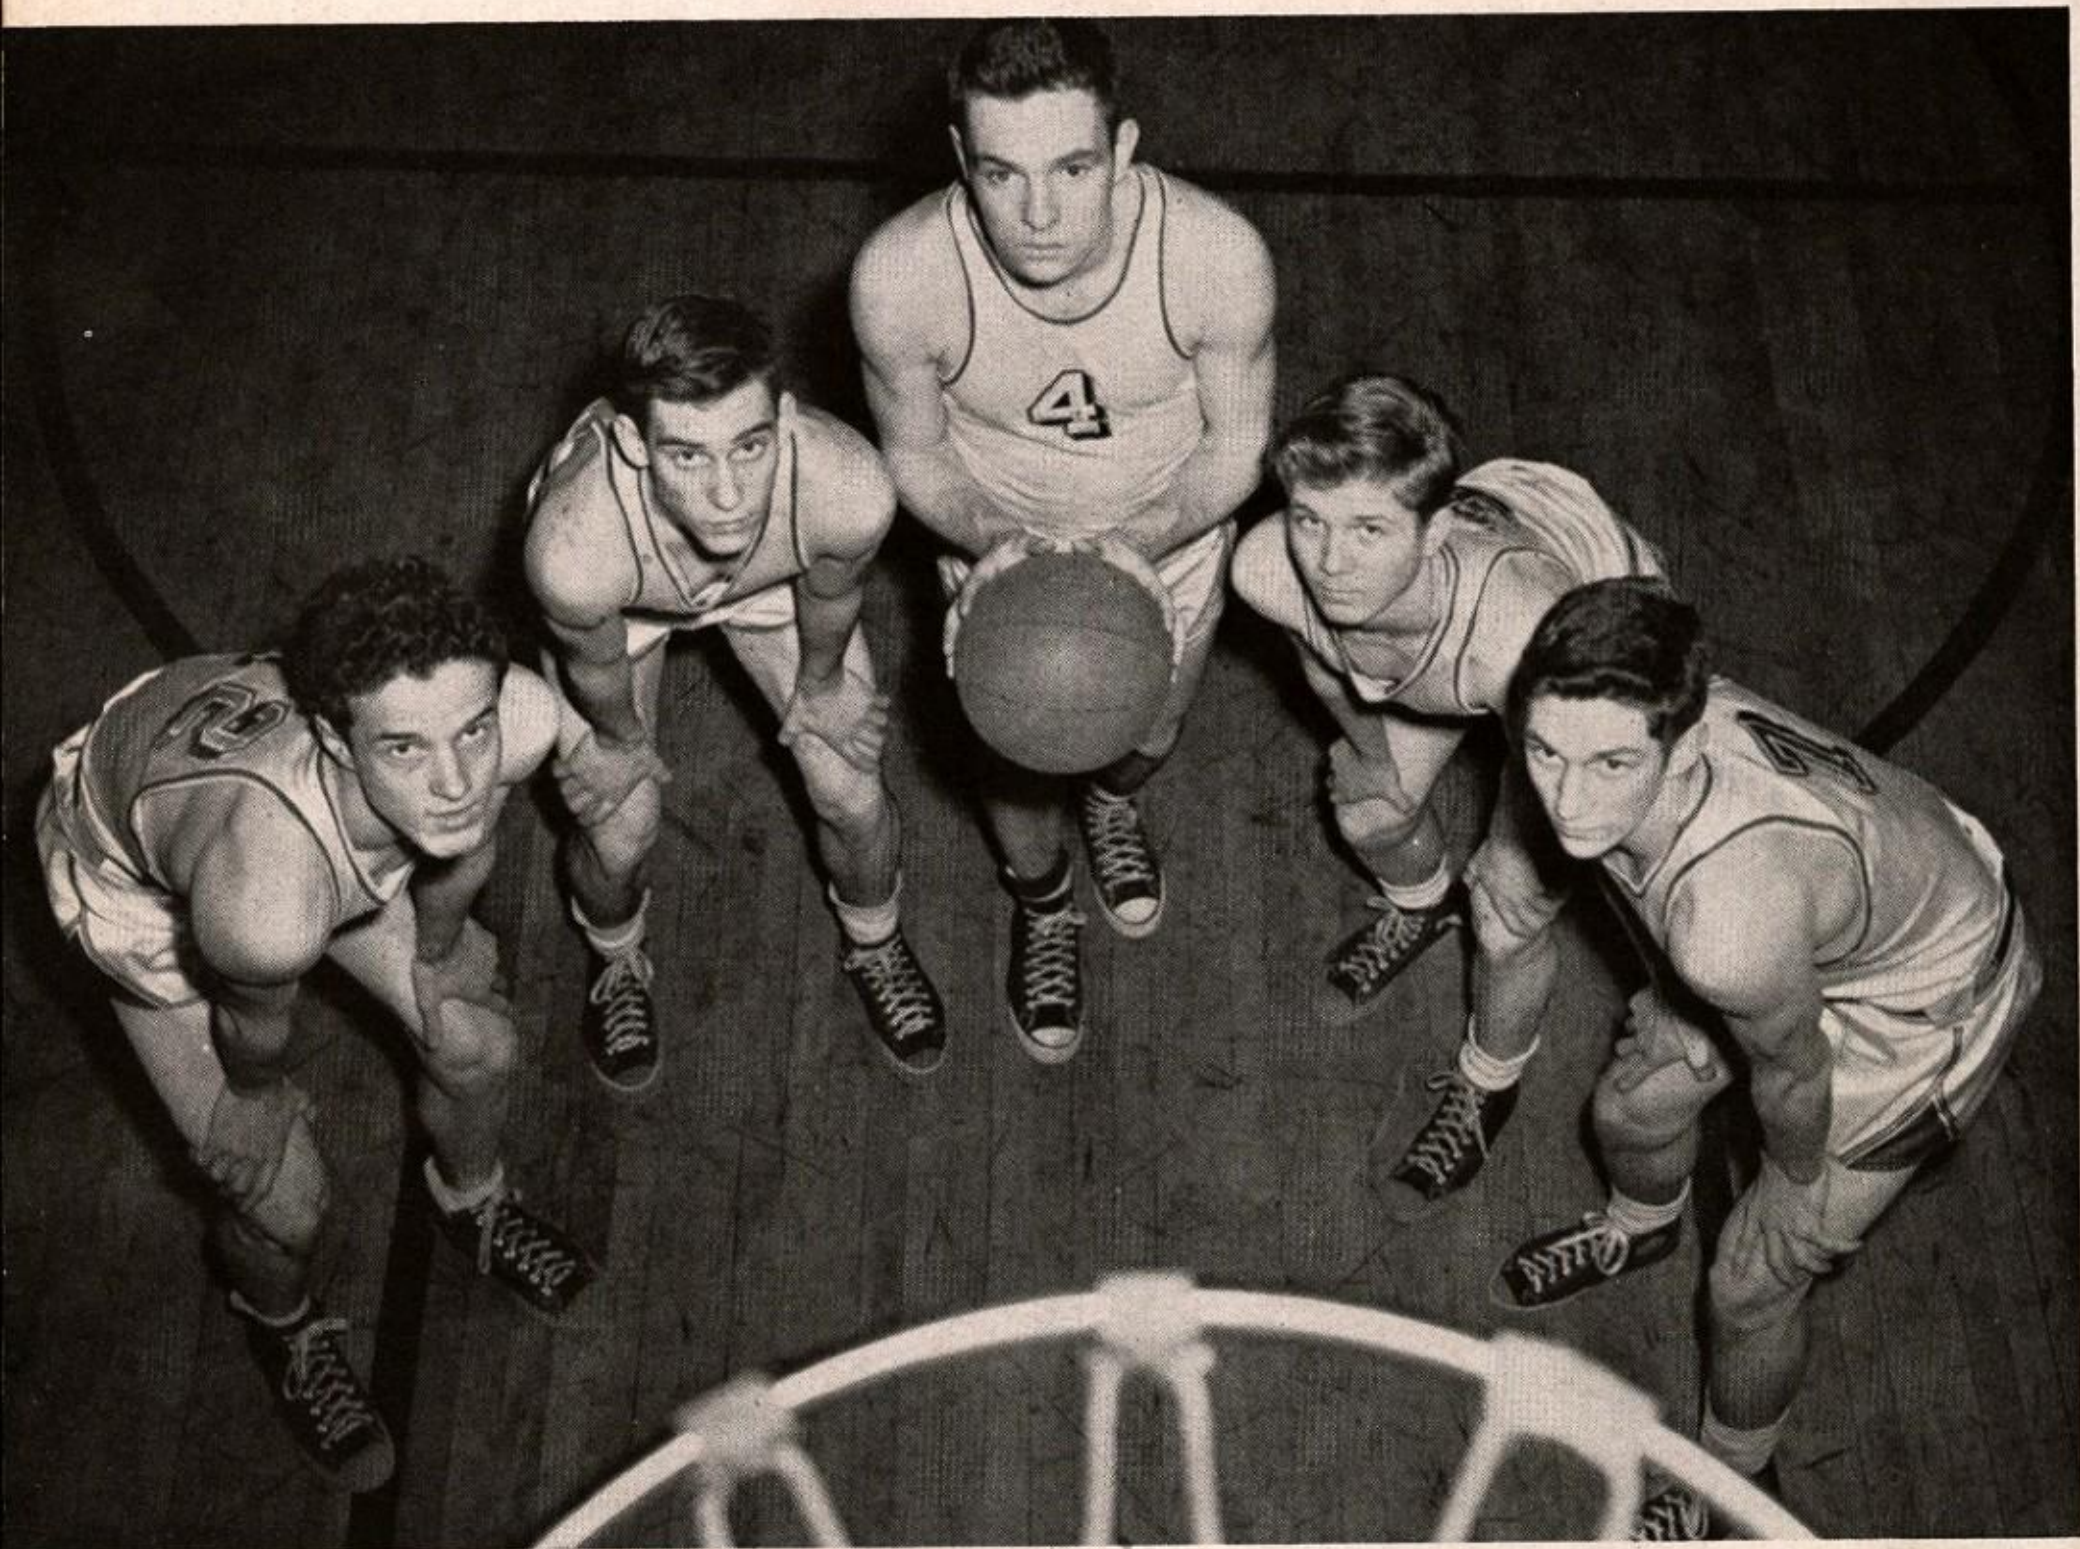

Outstanding members of the first-string were: Mack, Cooke, Demko, Bob Porter, John Mahon, Joe Backna, Bernie Dillemath, and Joe Heimann.

## Varsity Squad

**F**ACED with the task of filling the shoes of nine graduating basketball players, Coach Bill Scopel composed his squad of three senior lettermen and a large number of sophomores. Captain Leo "Skip" Weithman, Bernie Liskey, and Don Brady were the three lettermen of whom only Weithman was a regular on the 1947-48 squad, which was the best Ignatius ever had, with a record of eleven wins and three losses. Coach Scopel continuously shuffled the starting line-up in an effort to find a winning combination. He also promoted Gene Mio, Bob Novak, John Braucher, Jim Schram and Brian Donahue from the star-studded Jay Vees. Mio and Braucher both worked into regulars at guard and center respectively.

High scorers Frank Stringer and Leo Weithman both merited second-string All-Catholic positions by the votes of the coaches and first team members of Holy Name, Latin, and Benedictine.

The team was victorious in but one game; yet they always fought, as the close scores of the Canton, Lincoln, and Benedictine contests show. In the district playoffs at Berea, Ignatius unleashed their cat-like fury to grab a quick lead over unbeaten Lakewood High. The Cats led at the quarter 11-10. Poor judgment on the part of the officials kept the "Scopelmen" from adding more points as they awarded Ignatius only one free throw in the first seventeen minutes of play. The players made nine out of ten attempts for the entire game.

**C**OACH F. J. GEORGE coached the best Jay Vee basketball team in the history of the school. The team finished the 1948-49 hardwood season with the remarkable record of twelve victories and one defeat.

Sophomores John Braucher and Jim Schram kept a scoring duel going from the first through the thirteenth game with Braucher finally retaining the lead by a slim two points over Schram, 109-107. The Georgemen opened the season with a 42-29 victory over East Tech, followed by victories over Parma 39-23, and Latin 49-31 before being defeated by a mixed varsity-Jay Vee team at Canton, Ohio, by Central Catholic 47-36. Midway in the season, first-stringers Gene Mio and Bob Novak were promoted to the varsity five but the young Cats kept rolling along with victories. West High was the first senate team to meet the "champs" and was defeated 44-18; South was next in a very close game, 35-31. Ignatius proved just too powerful for Marshall by whipping them 38-14.

Jim Schram hit the Jay Vee scoring peak by caging 16 as Lincoln went down 49-26. St. Mary's found the trip back to Warren very long after a 55-24 shellacking. Holy Name could only tally 15 points to Ignatius' 35. John Braucher led the 28-24 victory over West Tech. Ozzie Gill hit 16 against Rhodes as we won 47-19. In the final game of the season Ozzie marked up 15 and Schram 13 to give the young Bengals a 58-44 beating.

*Top Row: O'Brien, Dietz, Koch, Mack, Demko. Second Row: Mr. R. A. McCormick, S.J., English, Wilkinson, Reese, Fr. J. J. Rossing, S. J. First Row: McGrail (Mgr.), Becker, Gallagher, O'Donnell (Mgr.).*

**D**IMINUTIVE Dave Demko set a freshman scoring record for a single season that will in all probability seldom, if ever, be broken. In 29 games Dave scored the amazing total of 406 points, most of them being one-handed pot shots from around the four circles. At his guard position Demko captained the Ignatius team which won 23 games while dropping only seven.

The coach, Father J. J. Rossing, S.J., has led his freshman teams of the past two seasons to a record of 48 wins and 12 losses. This marks another school record which may stand pat for quite a few years.

Ignatius scored a total of 1,335 points to their opponents' 930. Demko had a 29 game average of 14 points per contest while Don Mack, accounting for 251 points, tallied at an average of 9.65 per game. Demko also led in foul shooting with an average of 63% followed by Mack's 50% and Jerry Becker's 46%.

Of the thirty teams the Wildkittens met, only one squad, Collinwood, was able to register two wins. Our Lady of Lourdes' junior varsity was the only other team which the young kittens didn't stop at least once. Benedictine, Latin, Patrick Henry, and Rhodes split even by winning one and losing one.

The first string, small in size, averaging 5 ft. 8 in., consisted of Dave Demko and Jerry Becker at guard, Don Mack and Dick Gallagher at forward, and Bob Reitz at the pivot position. Other players who will receive much eyeing in the season to come are Joe Cooke, Dick Dietz, Don O'Brien, and Bill Wilkinson.

**L**AST year's Eleventh Annual Boxing Tourney displayed a wealth of boxing talent. Dave Harley and Dick Somsak won their third straight championships, while Bill Sharkin annexed his second. Mr. James A. Perry and Mr. Walter A. McCarthy, S.J., directed the fighters.

This year, with fourteen defending champions back to retain their divisions, promises the spectators plenty of action and slugging. Open division champs, besides Harley, Somsak and Sharkin, are Larry Richards, Tom Walters, Ray McCool, and Jim Porter. The novices who will enter the open class this year are Tom Whalen, Dave Bruening, Chuck Lamb, Ray Becks, Jerry Gerhard, Pat Cannon, and Dick Buescher.

For the third straight year, the Alumni Association will present its "Best Sportsmanship" trophy to the fighter most deserving of it.

**U**NDER the guidance of golf coach Mr. R. A. McCormick, S.J., the St. Ignatius golf team captured all five of its matches and the second straight Metropolitan League West Side Championship.

Juniors Jim Piskura and John Reidy were the backbone of last year's squad and are holding the identical position this year. Piskura set the record for the league with his low game of 85. Other members of the squad are John Kilroy, Ned Perotti, Bob Groth and Art Meyer.

A traveling trophy was introduced last season and Ignatius already has one of the three championships necessary to retire the award.

**A**FTER a lapse of nearly 25 years, track was reorganized at St. Ignace. Mr. John Wirtz spent months readying his thinclads for the Indoor Meet at the Arena. His efforts and those of the runners paid off when sophomore Joe Dory captured first place in the mile run, and the mile relay team, composed of Bob Wischmeyer, Jim Schram, Jim Brown, and Joe Dory, took sixth position.

Ed Kaczur, Joe McKeon, and Dick Zunt did the hurdling for the squad. The two-mile relay team consisted of Bob Murray, Jack Donahue, Kevin Tobin, and Jack Brandabur. Tom Burdenski and John Lewis held their own in the dashes.

Other trackmen were Jack Hoy, Len Porto, Chuck Morgan, Bob Dason, Dick Twohig, Chuck Blackburn, Dick Stater, John Kilbane, Ronny Urmetz, Paul Brubeck, Bill Haas, and Dick Brennan.

## Cross Country

**I**GNATIUS added another sport to its rapidly growing athletic agenda this year—that of Cross Country. The team was entered in two meets held on the two and one-half mile Ridgewood course.

Fr. J. J. Rossing, S.J., directed the harriers and "Little Joe" McCafferty was captain of the squad.

With only one week of practice, Ignatius placed second last in the Senate meet by finishing ahead of East High. In the District meet, the thinclads finished all seven runners, but took last place, coming in behind Lorain.

Lettermen competing for Ignatius were: Cap McCafferty, Jack Donahue, Jack Hoy, Joe Schram, Joe McKeon, Chuck Geiger and Kevin Tobin.

*STANDING:* Wamby, Keller, Reilly, Braucher, Porter, Schartman, Mio, Hoke. *KNEELING:* Andrews, Sullivan, Winkler, Dolan, McLaughlin, Giambetro, Schram.

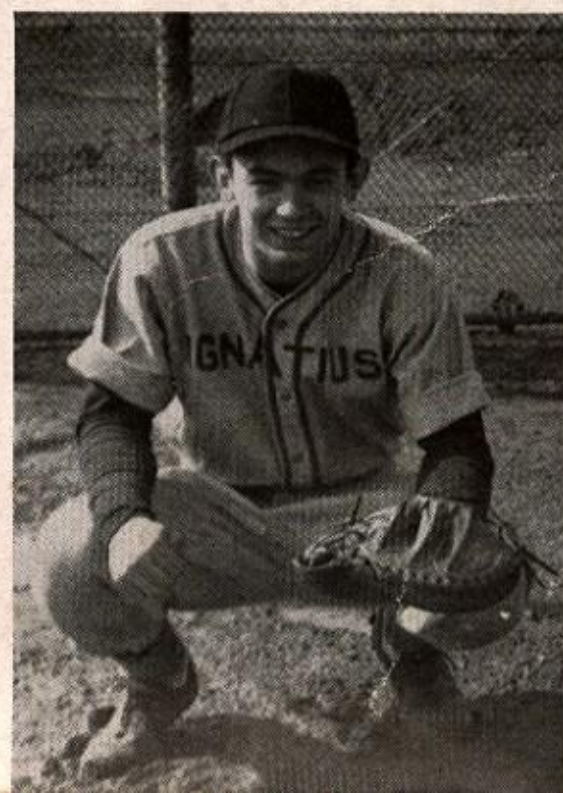

**P**ACED by the star-studded pitching of Jim Porter and coached by Lenny Brickman, the 1948 Ignatius baseball team finished the West Senate race in third place. Ending in a first-half tie with West Tech, the Saints dropped a heartbreaking 1-0 game at League Park. Second sacker Bill Wamby led the squad in hitting with a robust .351.

With Fred George as head coach the 49ers are setting their sights on the West Senate title. Veteran letterman Jim Porter and Joe Schram are expected to carry the pitching chores with hard hitting Larry Dolan receiving their offerings behind the plate.

Infield lettermen include first baseman Jack Reilly, second basemen Bill Wamby and Jim Winkler, and shortstop Jerry Sullivan. Frank Andrews and Dean Williams will cover the outer garden.

## Senior Sodality

**W**HENEVER one is seeking the premier organization of St. Ignatius, he instinctively turns to the Sodality of Our Blessed Mother Mary. This is especially true of the Senior Sodalists, who are an incentive to the remainder of the school in accomplishing what they undertake.

Under the leadership of prefect Ray McNally, assistant prefects Frank Grdina and Bob Wischmeyer, secretary-treasurer Bob Harter, consultor George Murray, instructor of candidates Tom Dugan, and various committee heads, the Senior Sodality, in early September, began the business of the 1948-49 school year. With the moderator, Fr. A. V. Kanuch, S.J., and his able assistant, Mr. R. J. Feuerstein, S.J., lending much appreciated guidance, the Sodality sponsored such successful activities as the canned-food drive, the Sodality choir, retreats, the religious articles drive, the recitation of the rosary, the knight's vigil, and the Missa Recitata.

Many mixers were held with various girls' academies throughout the city, but the social highlight of the year was the annual Sodality Christmas Dance which was held in St. Mary's Gym, December 26th.

*Directed by Mr. R. J. O'Brien, S.J., the Sodality choir performs at St. John's Hospital, spreading Christmas cheer.*

## Sophomore Sodality

**I**N preparation for their entrance into the Senior Sodality, the members of the sophomore group have become more acquainted with the motto of the Sodality, "*Ad Jesum Per Mariam*," and have familiarized themselves with the basic rules of the Sodality.

Under the direction of Fr. A. F. Menchen, S.J., who has guided the sophomore division for the past seven years, the weekly meetings consisted chiefly of the recitation of the Little Office of the Blessed Virgin, devotions, and spiritual talks.

Officers of the Sophomore Sodality are: Joe Dory, prefect; Jim Wallace, assistant-prefect; Jim Schram, secretary; and Mike McClarnon, treasurer.

## *Freshman Sodality*

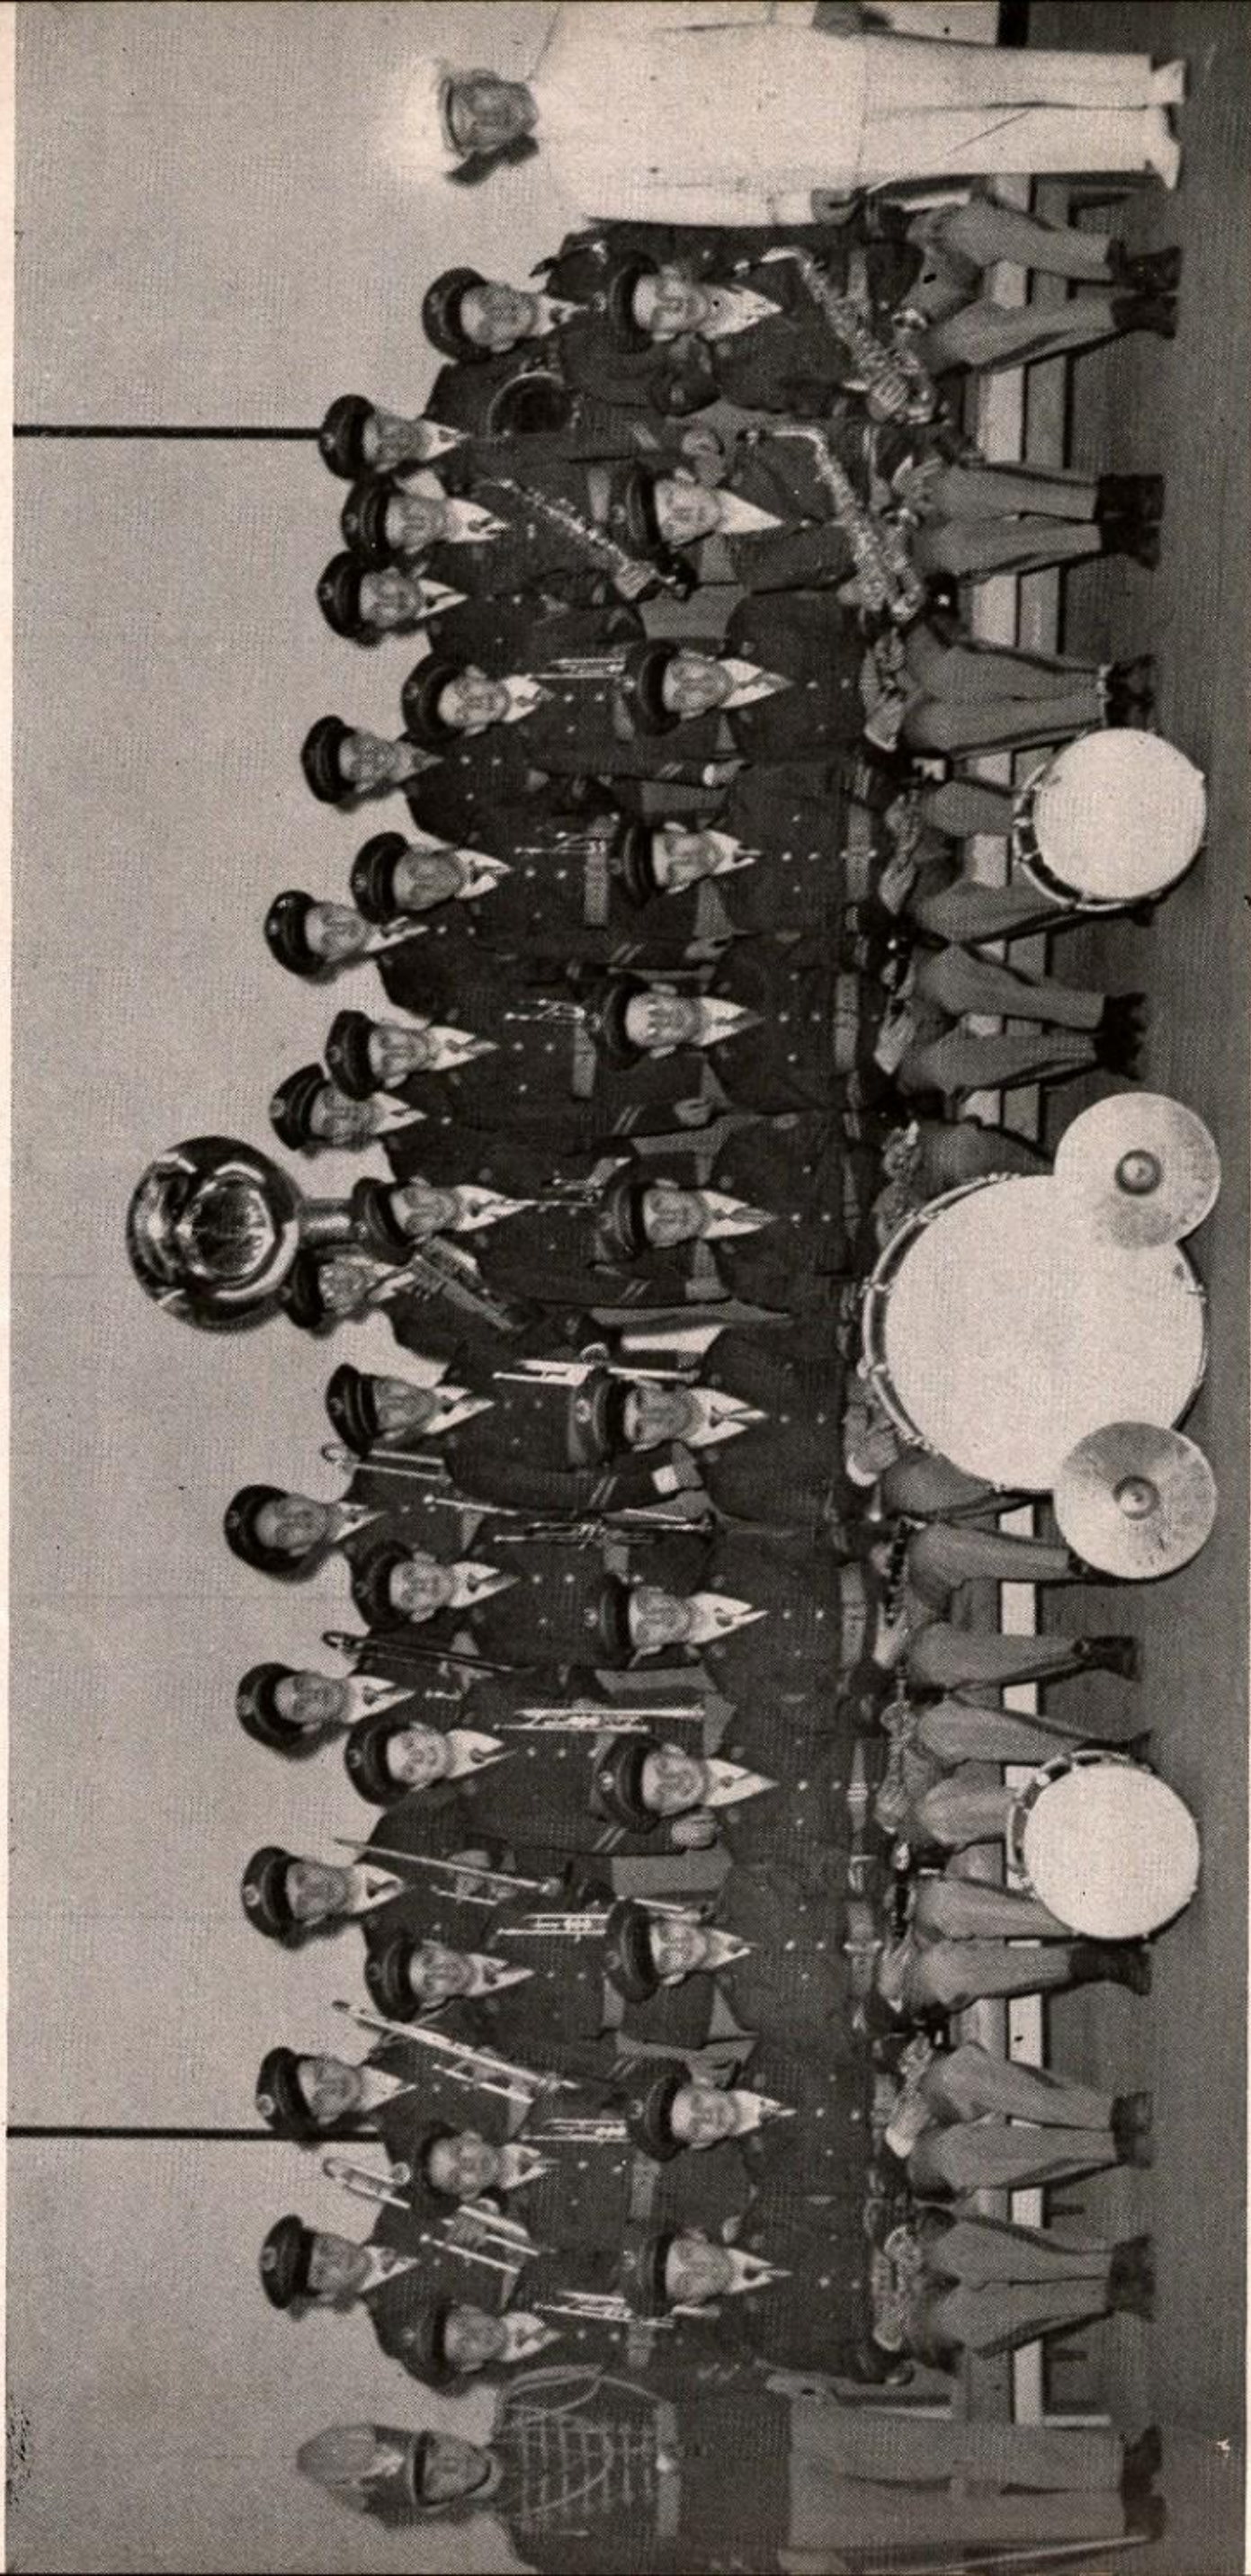

**W**ITH the advent of the 1948-49 school year, it was once again found necessary to divide the freshman Sodality into two groups. This arrangement was decided upon because of the unexpected turnout of candidates for reception into the Sodality.

Working under this division, the moderators found it much easier to explain to the enthusiastic frosh the more intricate mysteries of the Church.

After almost eight months of preparation, those who had fulfilled the requirements were received into the Sodality May 1st.

Cooperating with Fr. J. J. O'Brien, S.J., in the first group were prefect John Mahon, vice-prefect Joseph Heimann, secretary Donald Graves, and treasurer Bill Ermatinger. In the second group were Paul Lindsay, prefect, Chuck Milet, vice-prefect, Bob Kannenberg, secretary, and Bill Wilkinson, treasurer, who aided Mr. E. L. Fergus, S.J.

ST. IGNATIUS BAND

*Band officers Scherry, President Murphy, Tobin, Drum Major Pecek pose with Mr. Jack Hearn, band director, and Mr. O. T. Wheeler, S.J., moderator.*

**A** ROLL of drums! A driving foot! A mighty roar! And another Ignatius football game was under way. But in rain or snow, or in sweltering or biting weather, you could always count on seeing a loyal group of blue and gold clad bandmen lending their musical support to the success of the team.

But this was only one of the many ventures undertaken by the band. Under the direction of Mr. J. T. Hearn, who in turn was assisted by Mr. O. T. Wheeler, S.J., and Mr. R. J. O'Brien, S.J., the roll call of events included concerts, parades, rallies, and a Military Ball.

*Always there, ever faithful, the band plays, "As we hail the blue and gold".*

**U**NDER the supervision of Mr. R. F. Burnham, S.J., The *Ignatian* staff succeeded in telling the story of this year's activities and main events by turning out the 1949 *Ignatian*.

Topped by Tom Dugan, the Editor-in-Chief, the editorial staff was in charge of the various divisions of the annual. Joe Schram was responsible for the sports section; Bill Antolik, typing and senior write-ups; Pete Gaughan, the Senior Diary; and Dick Bauhof, clubs.

Frank Grdina, the business manager, and his assistants Bob Kundmueller, Bernie Liskey, Bob Harter, and Hank Shea struggled, pleaded, and fought for the success of the subscription drive.

Contributing much to the general appearance of the year-book is the work of the art and photography staff: Dan Elliott, Bob Friedel, Bill Rock, Phil Rule, and Pat Bruening.

**D**URING the year 1948 another glorious chapter was written into the annals of the *Eye*. Under the supervision of Mr. W. M. Hayes, S.J., the student publication once again garnered All-Catholic and All-American high school ratings.

With Fred Fisher and Louie Pecek as co-editors-in-chief, the *Eye* staff turned out nine interesting issues. Tom Dugan was news editor of this group while Joe Schram and Jim Porter were co-sports-editors. Aiding these were associate editors Dick Bauhof, Bob Harter, and Tom McGuire. Gerry Cavanagh was U.B. correspondent, and Bill Antolik and Bob Gelin were copy managers.

## Ignatius Athletic Association

THE little wooden "box" on the first floor acts as the hub for practically every Ignatian activity. Led by President Frank Grdina and associate vice-presidents Bob Harter and Phil Rule, the members managed the distribution of all tickets for football and basketball games, the Harlequin Play, and the Boxing Tournament.

One mammoth job is the handling of financial problems of the Annual Drive.

Mr. G. W. Steenken, S.J., was the moderator of the Athletic Association this year.

*STANDING:* Mr. G. W. Steenken, S.J., Phil Rule, Dan Hammer, Frank Grdina, Bob Harter.

“**P**ARLEZ-VOUS Francais?” If so you should have joined Le Cercle Francais. Here under the capable direction of Mr. J. R. Habes, S.J., you would have been able to further develop your understanding and appreciation of the French language.

This was attested by the fact that many of the club's literary giants, after obtaining names and addresses of students in France, carried on a spirited correspondence with our friends across the sea.

Add to this the presentation of movies with French dialogue, the study and recording of French plays, and the gala Christmas party, and you can see what a good time was had by all.

During the course of the year the moderator was assisted by Jim Koeth as president, and Karl Majewski as vice-president. John Berger was secretary and Art “Père Noël” Dilleuth was treasurer.

*Père Noël (i.e., Santa Claus) presents Monsieur Felix Spittler with a bon, petit gift.*

# Art Club

**F**INDING themselves without a home upon returning to school, the Art Club finally roosted in the kitchen of the old cafeteria. Here under the direction of Mr. R. J. O'Brien, S.J., they turned out posters on behalf of such school activities as the Tax Stamp Drive, retreats, and Ignatius athletic ventures.

Dan Dominguez was president, and Leo Hepner vice-president. Jim Brown, as secretary, handled the club's business details.

*SITTING:* J. McCormick J. Brown, J. Kontur, D. Dominguez, L. Hepner, R. Hengst.

## Stamp Club

**A** NATURAL curiosity about rare things and the desire to examine stamps gathered from the out-of-the-way places of the world are all that is necessary to be a member of the St. Ignatius Stamp Club.

These stamp collectors, under the guidance of their moderator, Fr. S. A. Vana, S.J., meet once a week to trade and buy stamps. All proceeds from stamps that are sold go to Patna Missions. Outstanding members of the club are Bob Sendry, Charlie Fitzpatrick, and Eugene Kopan.

*Left to Right: Kopan, Sendry, Fr. S. Vana, S.J., Cavanagh, Fitzpatrick.*

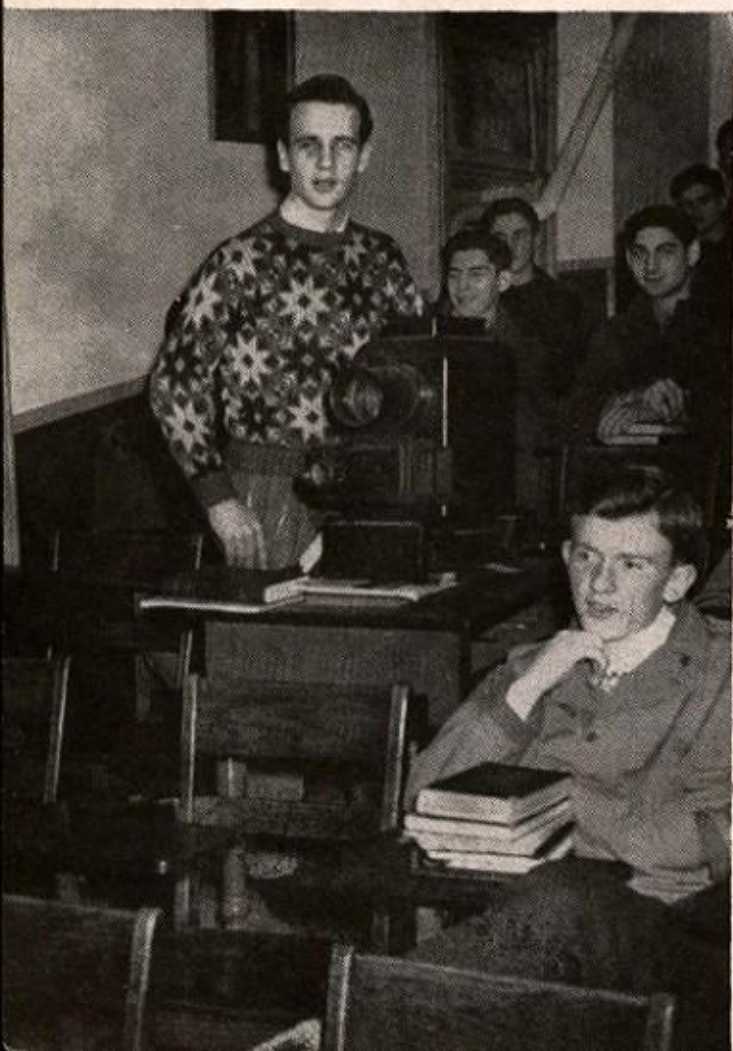

## Science Club

**T**HIS year, Fr. J. W. Stejskal, S.J., converted the former Radio Club, which was restricted to the field of radio, into the Science Club for the benefit of those Ignatians interested in the various branches of science.

Meeting every Thursday morning before class, these eager scientists discussed and dealt with the problems of the basic sciences: physics, chemistry, and astronomy, but still devoted much time to the different phases of radio.

Members of the Science Club elected as officers this year were: Charlie Otcasek, president; Bill Jerman, vice-president; Nick Smicklas, secretary; and Fred Fisher, treasurer.

*Chuck Otcasek lectures to the science club on, believe it or not, ichthyology.*

**W**ITH Mr. R. F. Burnham, S.J., as moderator, the Camera Club enjoyed the advantages of a renovated dark room. This year marked the twenty-fifth anniversary of the club.

The younger members of the club, beginners in the art of photography, learn the fundamentals and become acquainted with the technique of taking and developing pictures. Making good use of their remodeled dark room, the more skilled members of the club turned out countless pictures for *The Eye* and *The Ignatian*.

Officers are: Chuck Geiger, president; and Larry Dussault, secretary.

# Harlequins

**T**HIS year the Harlequins of St. Ignatius High School presented for the theater-going student body and friends the excellent play "Who Ride On White Horses". Mr. Raymond J. Schneider, S.J., was director and moderator of the Harlequins for the production of the first serious play presented at St. Ignatius for some years.

The play, an appropriate one during these times of persecution in many countries of the world, dealt with the life of Blessed Edmund Campion, of the Society of Jesus, scholar, priest, and martyr. Blessed Edmund payed the supreme sacrifice during the reign of Elizabeth. The play, produced at the Little Theater of the Public Auditorium on the nights of April 22nd, 23rd, and 24th, was fittingly dedicated to Cardinal Mindzenty.

*Left to Right: Bill Antolik (Music Director), Chuck Geiger (Stage Manager), Frank Grdina (Business Manager), Bill Rock (Art Director), Mr. R. J. Schneider, S. J. (Director), Pete Gaughan (Student Director).*

## Senior Debaters

HAVING already learned the fundamentals in the art of public speaking, the members of the Senior Debating Society met every Tuesday morning to master those fundamentals by putting them into practice and also to gain the all-important experience of speaking before an audience.

Directed by Mr. O. T. Wheeler, S.J., the would-be Ciceros enthusiastically participated in a large number of interscholastic debates. Besides entering Cathedral Latin's tournament, debates were held with such schools as Lourdes Academy and West High. Of course the club held its own Bourdaloue Tournament and also sponsored the annual Speech Contest.

Officers were: Gerry Cavanaugh, president; Fred Fisher, vice-president; and Jack Seeley, treasurer.

*Mr. O. T. Wheeler, S.J., discusses tactics with two champion debaters, Henry Bourguignon and Gerry Cavanaugh.*

## Sophomore Debaters

**D**EBATE: to dispute. And that is precisely what the Sophomore debaters did. During the year many loud and furious challengers were heard from the basement meeting room of the annex. With arguments on everything from soup to the national debate topic: "Resolved that the United Nations be now revised into a federal world government," Mr. G. W. Steenken, S.J., had his hands full.

*Standing:* T. Skulina, J. Cusick, Mr. G. W. Steenken, S.J., P. McDunn. *Seated:* G. Smith, W. Kelley, J. Fahey, T. English, J. McCormick, F. Granzier, G. Murray, J. McDonnell, T. Simon, H. Berlon.

**S**URPRISED by the tremendous turnout for frosh debating, Mr. W. E. McCarthy, S.J., the moderator, was forced to split his organization into five groups.

Meeting with a different group each night after school, he instilled into them the fundamentals of efficient and organized debating.

Assisting him during the year were Robert Kannenberg, president; Charles Milet, vice-president; Gerald Finn, secretary; and Robert Porter, treasurer.

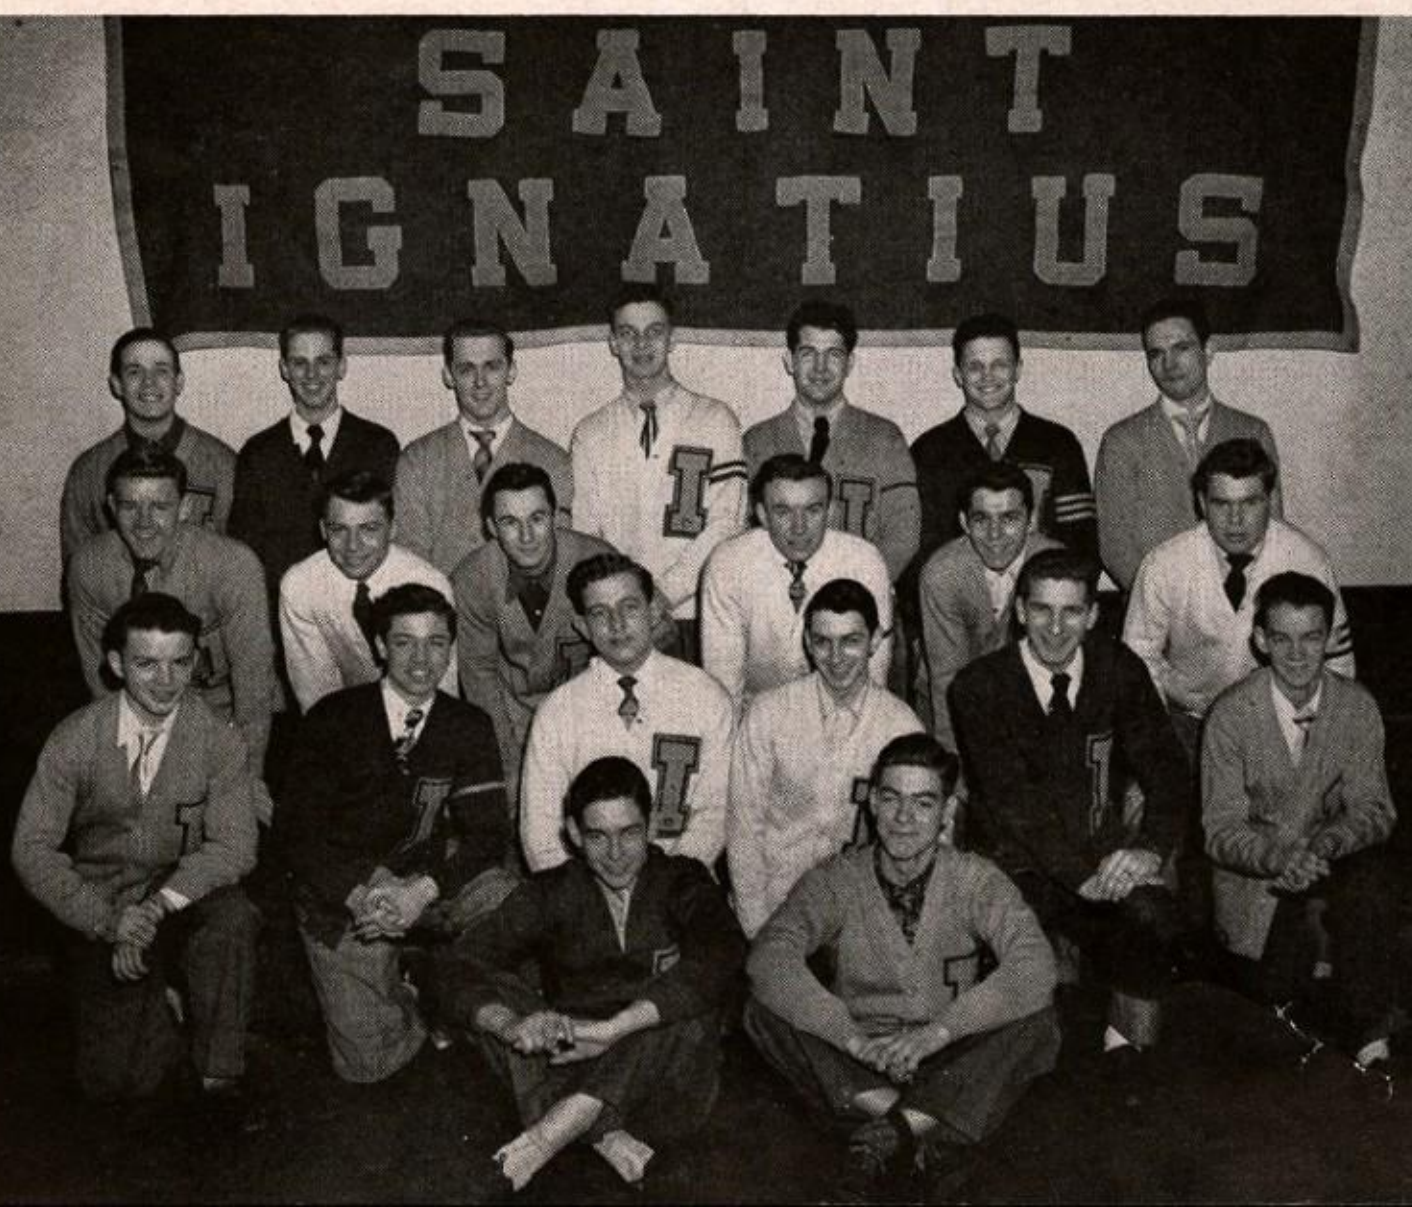

*Back Row:* Mr. R. A. McCormick, S.J., Grecol, Buescher, Mio, Novak, Stringer, McDonnell, Florian, McKeon. *Front Row:* Furlong, Morgan, McLaughlin, Hoke, Dolan, Hoy, Kaczur.

## 25th Year

**C**ELEBRATING its twenty-fifth anniversary this year, the Monogram Club, guided by Mr. R. A. McCormick, S.J., again sponsored the annual Blue and Gold Boxing Tournament and the Roller Rally, a newcomer to Ignatius' yearly affairs. Officers of the club are: Dave Harley, president; Jim Porter, vice-president; and George Murray, secretary-treasurer.

## Fathers Club

**L**AST year's Scholarship Drive was a big success. The Fathers Club, its moderator, Father P. E. Crimmin, S.J., and Mr. Edward Durkin, the efficient president, all deserve a complete voicing of thanks from each and every Ignatian.

The officers of the 1949 organization are Mr. C. G. Walters, President, Mr. Ralph A. Pfeiffer, first vice-president, Inspector Michael J. Blackwell, second vice-president, Mr. Arthur H. Dilleuth, secretary, and Mr. William J. Cannon, treasurer. These men lead the Fathers Club in the noble endeavors—many of them—to help St. Ignatius High School as much as possible.

The eleventh annual Scholarship Drive came to a close on the night of Saturday, April 30th. From the beginning of the drive on March 14th until the very last minute, all the fathers and students of St. Ignatius did a splendid job, expending time and labor for a cause they thought most worthwhile. One unusual feature of this year's Drive was the fact that quite a few fathers gave talks to the student body, encouraging them and giving them practical suggestions.

# A Senior's Diary

## JUNE

**June 4**—The *Eye* staff sponsored Junior Night, at which we chose McNally, Porter, Murray, and Liskey to steer our "ship of state". I voted six times and I still didn't get it. Schmarlequins presented "Time Marches Back".

**June 11**—"Goodbye" to junior year and "hello" to senior year. One year from now I'll be where the class of '48 is now, burning all their books.

## AUGUST

**Aug. 20**—SN-A-P! CRA-A-ACK! Mr. Fred George takes hold of the whip and the football team starts those gruelling practices at Brookside.

## SEPTEMBER

**Sept. 8**—It feels good to "need a shave" every day and to have frosh carry my books. Too bad I never get any homework so I can take books home.

**Sept. 16**—Preparations are started for the *Ignatian*. I hope I make the staff.

**Sept. 17**—Mass of the Holy Ghost and then free for the day. For me this is the best part of school.

**Sept. 18**—Lost opener when West's Mazur tackled a Cat—back in the end zone, 2 to 0. I knew they should have kept me on the squad. They probably ran out of water.

**Sept. 20**—*Ignatian* appointments announced today. I didn't want to be a writer anyway.

**Sept. 25**—We held the champion Latin Lions to a scoreless first half at Shaw Field before they pushed across 13 points.

**Sept. 29**—*Ignatian* drive opened today. Anyone got \$6000 I can borrow?

## OCTOBER

**Oct. 1**—First edition of the *Eye* came out today. There was some mistake and McNally got the "High Spotlight" instead of me.

**Oct. 2**—South, the future West Senate king, scored on the opening kick-off and continued to roll 33 to 13.

**Oct. 6**—Boudreau's pick-off dispute featured the Indian's World Series loss, 1 to 0.

**Oct. 7**—Indians came back today with first series win.

**Oct. 8**—We got out early, and, cheered by my presence, the tribe won their first series game in Cleveland since 1920 by the score of 2 to 0.

**Oct. 9**—Darcy rammed for two as we squashed Marshall 22 to 7 at Tech field. Oh yes, the Indians won.

**Oct. 10**—A sad day around town as Feller goes down before Johnny Sain.

**Oct. 11**—Tommy McGuire, all-star sandlotter, missed his first series game. The "brains" were elected for the Pepsi-Cola contest.

**Oct. 13**—Surely was glad it was the Bishop's feast-day. Too much celebrating the series victory "bushed" me.

**Oct. 14**—Report cards came. Cross-country aspirants held meeting.

**Oct. 16**—A fake field goal, which resulted in a score for Holy Name, stopped the Cats 12 to 7.

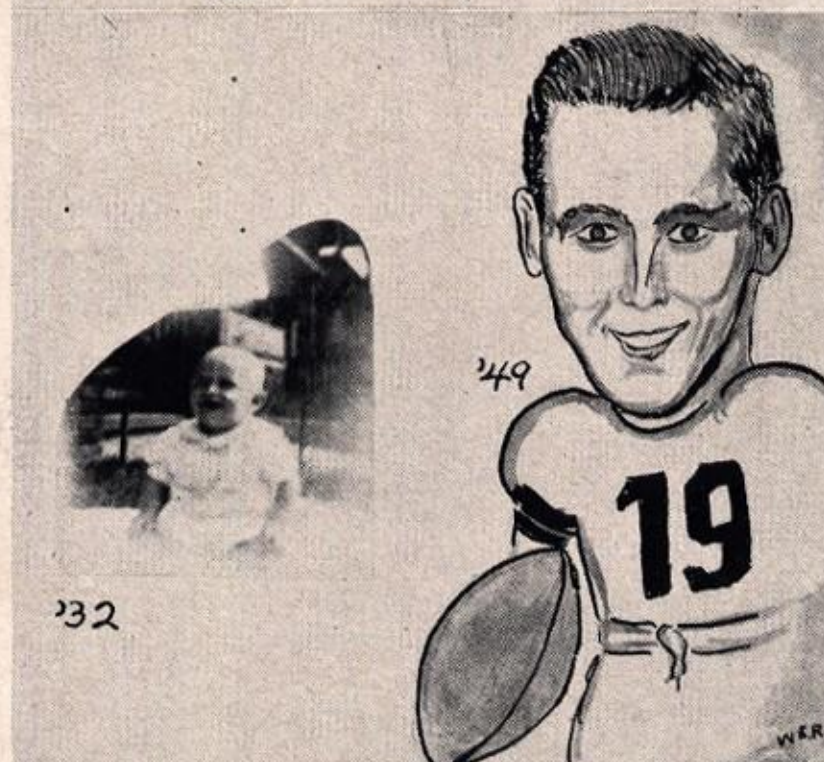

**Oct. 18**—The Sodality sponsored its first Missa Recitata.

**Oct. 19**—Students were chosen for the interscholastic Latin contest. They disqualified me because I take French.

**Oct. 23**—Skip Weithman kicked a field goal to make the Benedictine score 6 to 3. Quite a few "experts" went wrong on the margin of victory.

**Oct. 25**—A notice was posted on the bulletin board that the Pepsi-Cola contest was called off. They heard that clear heads were switching to Coca-Cola.

**Oct. 26**—Junior-Senior IM league began. Will these juniors *never* learn who the masters are?

**Oct. 27**—Juniors ordered their rings and plans were made for the Thanksgiving Dance. Tom Dugan will be the chairman.

**Oct. 29**—Coach George started the Hit the Rail Club for the success of the team. Second edition of the *Eye*, still no spotlight. For the first time in the history of the school, fog caused a game to be called off. I couldn't even see my feet, and considering the size of my feet, that's unusual.

**Oct. 30**—Cross-country Cats finish second last in Senate competition. McLaughlin, Darcy, Kaczur, and Porter score as we beat Tech 26 to 21. Sodality mixer with St. Therese was held at St. Pat's.

## NOVEMBER

**Nov. 1**—All Saints' Day brings another beloved free day.

**Nov. 5**—All the frosh and their fathers had a good time at the Dad's Club party.

**Nov. 6**—Ace McLaughlin intercepted a Ram pass and went 67 yards as we tied Rhodes 6 to 6.

**Nov. 7**—The *Eye* sponsored the public school Day of Recollection. Fr. Filias, S.J., the noted author, conducted the exercises.

**Nov. 12**—As usual the returns for the *Ignatian* were lagging, so a rally was held and the drive extended. Mr. Burnham, S.J., sparked the student body.

**Nov. 13**—Lincoln and mud add to a 0 to 0 tie which closes the best Cat season since '45. Aptitude tests started for seniors.

**Nov. 18**—Everyone worried because the first quarter grades went home today. My teacher must be a communist, because he marked all my grades in red.

**Nov. 24**—*Ignatian* drive ended successfully. Thanksgiving vacation began. Soph Blackburn netted 13 as we lost the basketball opener to East Tech 42 to 29.

**Nov. 26**—Thanksgiving Dance held in St. Mary's gym. My girl friend made two mistakes: (1) wearing open-toed shoes; (2) coming with me.

**Nov. 29**—Third edition of the *Eye* came out.

## DECEMBER

**Dec. 3**—Hoopsters lose to Parma 46 to 24. Sodality starts retreat at St. Stan's. They serve the best meals I ever tasted.

**Dec. 7**—Twenty-four scholars took the Inter-scholastic Latin contest. Falls were numerous as the Monogram Club under Dave Harley sponsored its annual Roller Rally. Ouch!

**Dec. 8**—Immaculate Conception—free day.

**Dec. 9**—First big snowstorm of the year. It was a big temptation to throw a snowball.

**Dec. 13**—Frosh basketeurs swamp Latin 42 to 32. Looks like some good varsity material.

**Dec. 17**—We received a talk on the National Guard. Four seniors signed up.

**Dec. 19**—A busload went to Toledo and saw the Cats go down to a superior team, 73 to 44.

**Dec. 20**—Senior Sodalists caroled at the hospitals. They did a fine job and were highly complimented by all.

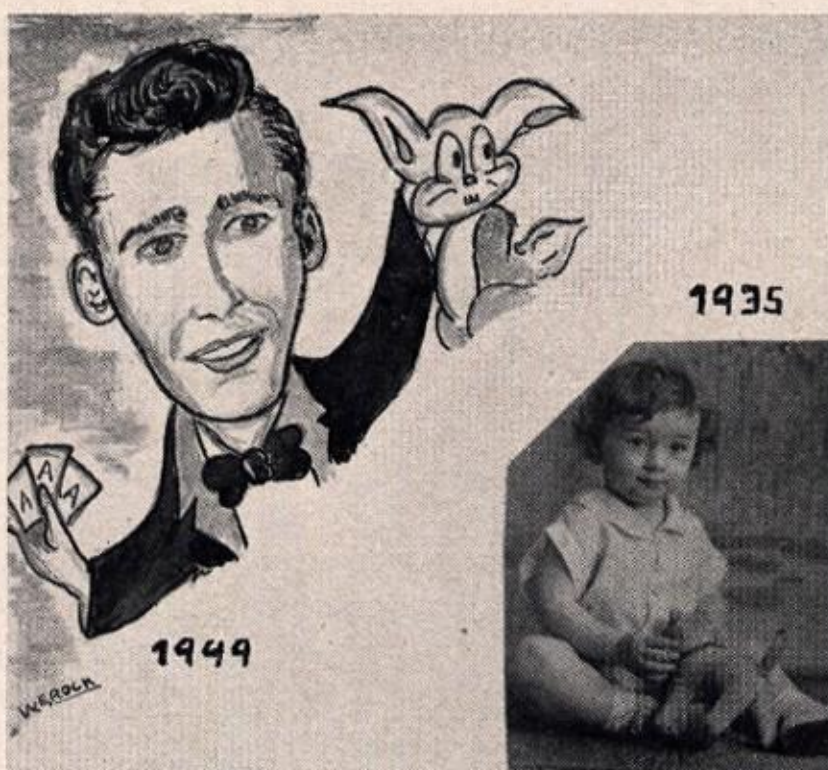

**Dec. 21**—Ah, Christmas vacation! The old *Eye* staff published their last issue featuring the short stories from their contest.

**Dec. 22**—We entertained at the Sodality Union Christmas Party with a mystery thriller.

**Dec. 24**—In our Christmas joy we didn't forget the needy as we distributed 3000 cans of food. Mr. Feuerstein, S.J., kept us bringing food until the Annex basement overflowed. It was uncanny. 3-F led the school with over 800 cans.

**Dec. 26**—Committee members "borrowed" decorations from stores to decorate St. Pat's for the Christmas Dance—at least that's what Chairman Cavanagh claims. The car wouldn't run, so my date pushed it.

**Dec. 27**—Christmas feasts bogged the hardwooders down as we dropped a "toughie" to Canton, 42 to 36.

**Dec. 31**—No joint affairs were held but I suppose everyone is out somewhere.

## JANUARY

**Jan. 3**—Back to school!

**Jan. 7**—We started off with a “bang” in Senate competition by edging West, 42 to 41.

**Jan. 8**—Joe Schram’s write-up of Ray McNally for “In Our Crowd” appeared in the “Press”.

**Jan. 11**—I’m spending the evening writing my crib notes, oops, studying; as everyone is.

**Jan. 12, 13, 14**—After the exams I’m too “bushed” to write anything. I never even saw half the stuff they asked for.

**Jan. 17, 18, 19**—Fr. Clark, S.J., conducts the senior-junior retreat. His jokes and earnestness impressed all.

**Jan. 20, 21**—Freshmen and sophomores came back and followed the example of the upperclassmen, with Fr. Burrill, S.J., as retreat-master.

**Jan. 24**—I leered at my teachers, and they leered right back at me. I just couldn’t have done that bad. Maybe there was a mistake made.

**Jan. 26**—Students signed for Harlequin production “Who Ride on White Horses”, the life of Edmund Campion. I wonder if there are any parts for a great lover.

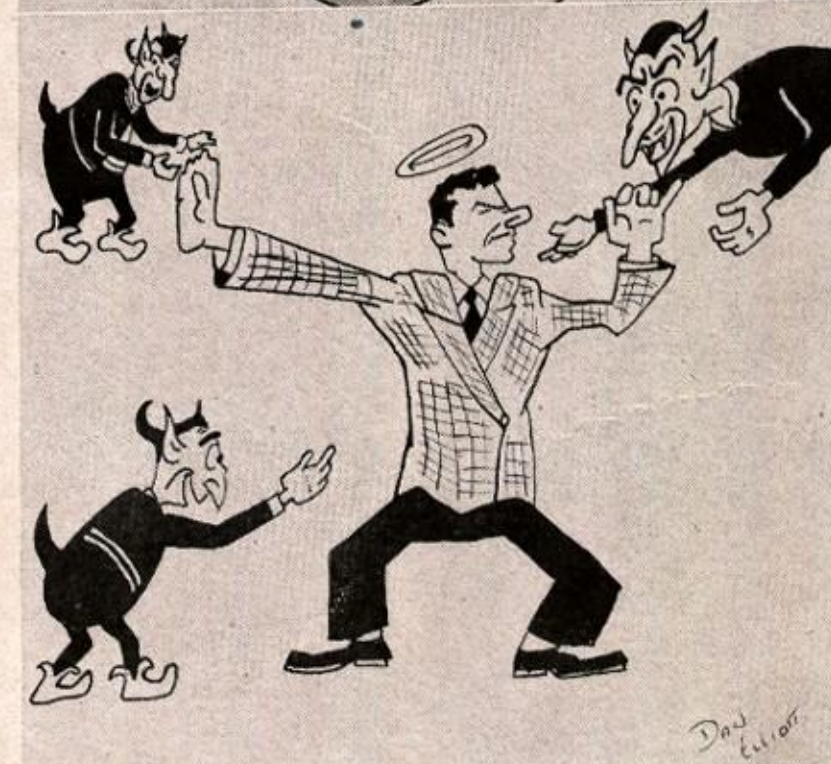

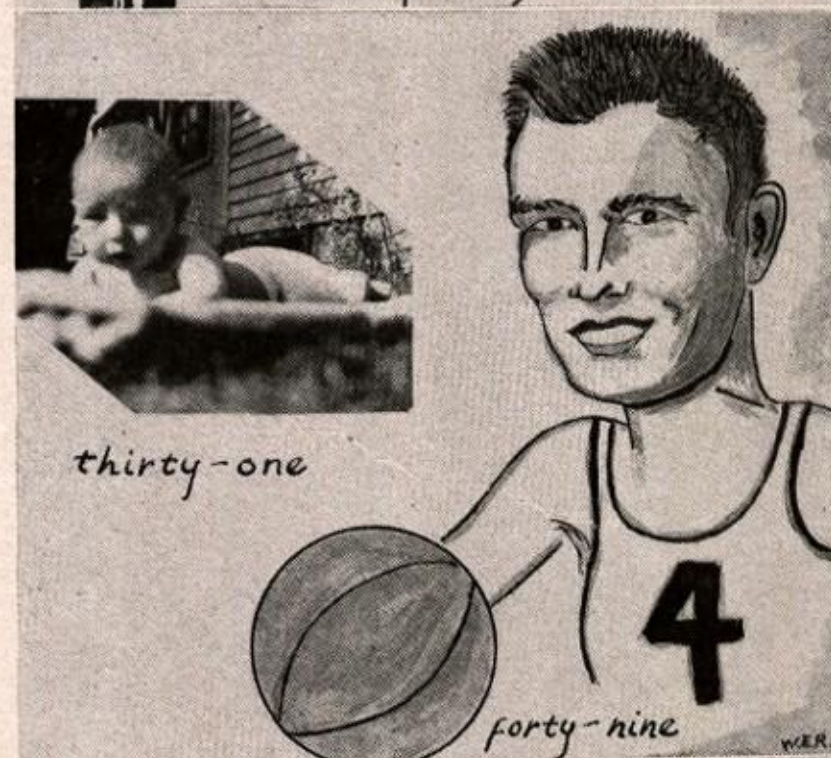

**Jan. 27**—I can hardly see to write. The juniors got their rings. I don’t mind the sparkle, but they nearly poked my eye out by shoving the rings in my face.

**Jan. 28, 29**—The varsity suffered a double loss, losing to Lincoln 41 to 37, and to Warren St. Mary’s 51 to 38.

## FEBRUARY

**Feb. 4**—The Green Wave capsized us to the tune of 43 to 29.

**Feb. 5**—Speakers and debaters donned their oratorical robes as we traveled to Latin for a tri-state contest. McNally won the dramatic medal and Cavanagh and Bourguignon won four for four debates.

**Feb. 9**—A man measured us for our caps and gowns, but don't get your hopes up, kiddo. This is the only way to find out who the "big heads" are.

**Feb. 16**—Beware all pin-boys. The bowling league got under way. Casualty list is as follows: two broken arms, five sprained wrists, one pin-boy missing in action, and one manager (he shot himself).

**Feb. 18, 19**—We dropped the regular season closers to Rhodes and Benedictine, 42 to 24 and 51 to 42, respectively. On the other hand, the Jay Vee's won the Senate crown by a win over Rhodes. They'll get their pictures in the cafeteria with the other champs. The senior sodality held a social with St. Joseph's Academy.

**Feb. 22**—Free day. As I eat my cherry pie I must confess a heart-felt gratitude for dear old George.

**Feb. 28**—Students in the main building gave a cheer when the annex boiler broke down.

**Feb. 29**—Who's cheering now? The lucky "stiffs" in the annex are out of class.

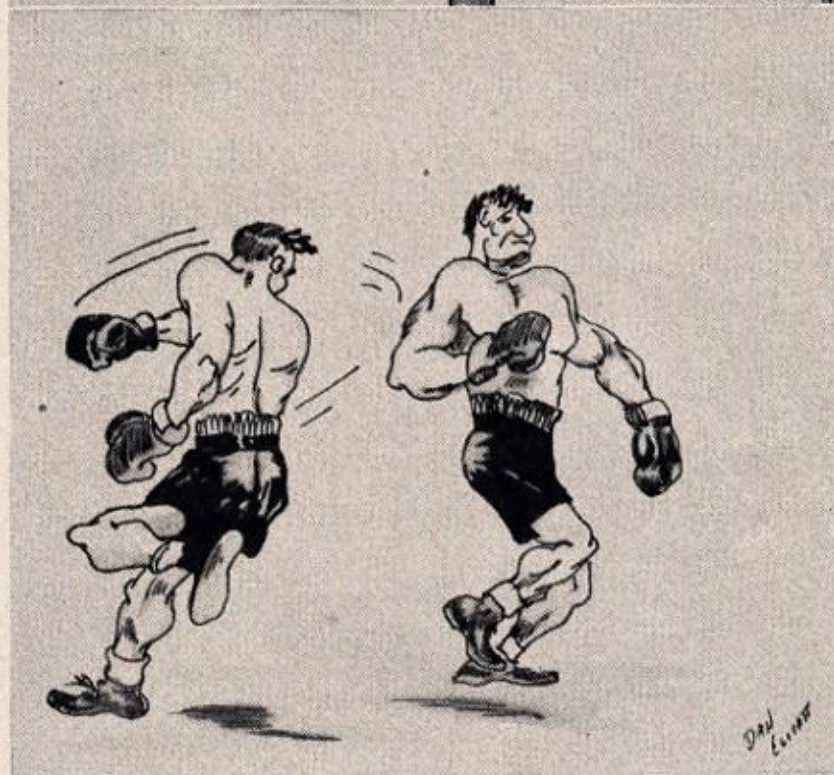

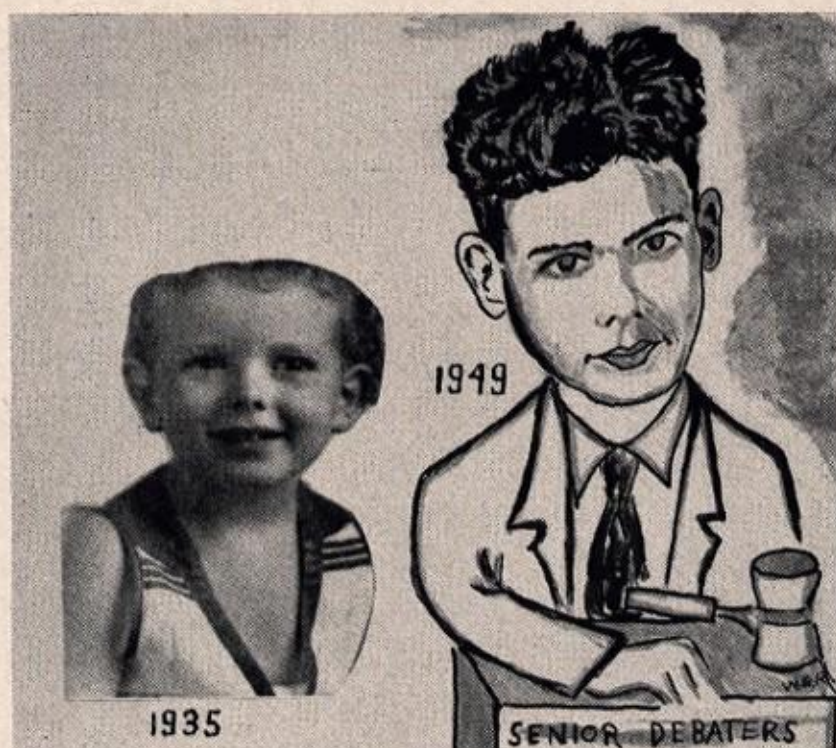

## MARCH

**Mar. 1**—Lakewood's powerful Rangers closed the cage door on the Cats for the season as we dropped a 47 to 33 decision in the state elimination. In his final game Captain Skip Weithman, with 11 points, led his team in a great fight against a supposedly far superior team boasting a long victory streak.

**Mar. 2**—Mr. George Moore gave a talk on racial prejudice to senior sodalists this morning.

**Mar. 4**—Dr. Charles Sheehe, '39, lectured on Dentistry as a profession. He laughingly bemoaned the fact that his nurse goes out with an Ignatian.

**Mar. 12**—Shades of Michelangelo! The I.A.A. box received a new coat of paint. At least there won't be so many seniors hanging around until the paint dries.

**Mar. 14**—The Annual Fathers Club Raffle opened with a first prize of \$1000. In case anyone tries to talk me into "going out" for boxing again, I'll read 'em this poem:

Full of fire, and full of fight,  
I, a novice, led with my right;  
The crowd is gone, the bout is o'er,  
And I lie bloody upon the floor.

I got my two front teeth for Christmas and look what happened!

**Mar. 16**—Senior sodalists entertained at Merrick House. Dick Bauhof, Tommy McGuire, Fred Fisher, and Tom Dugan participated in a round table discussion on "Federal World Government" over radio station WLAL.

**Mar. 17**—More radio work. This time 12 Latin scholars translated the Aeneid over WHK. It may have been Latin, but it sounded like Greek to me. It's a great day for the Irish as our band marches in the St. Patrick's Day Parade.

**Mar. 21**—Racqueteers opened up with their big guns as tennis season gets "in swing". The object is to hit the ball, not wave at it.

**Mar. 22**—The *Eye* came out with its powerful beam turned on the Black and Blue Boxing Tourney.

## APRIL

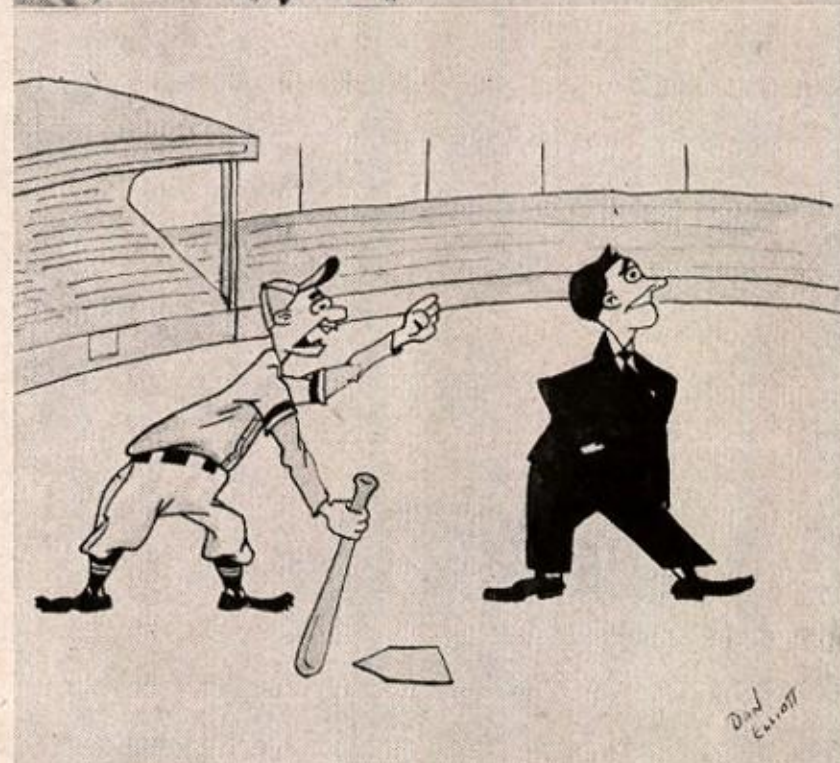

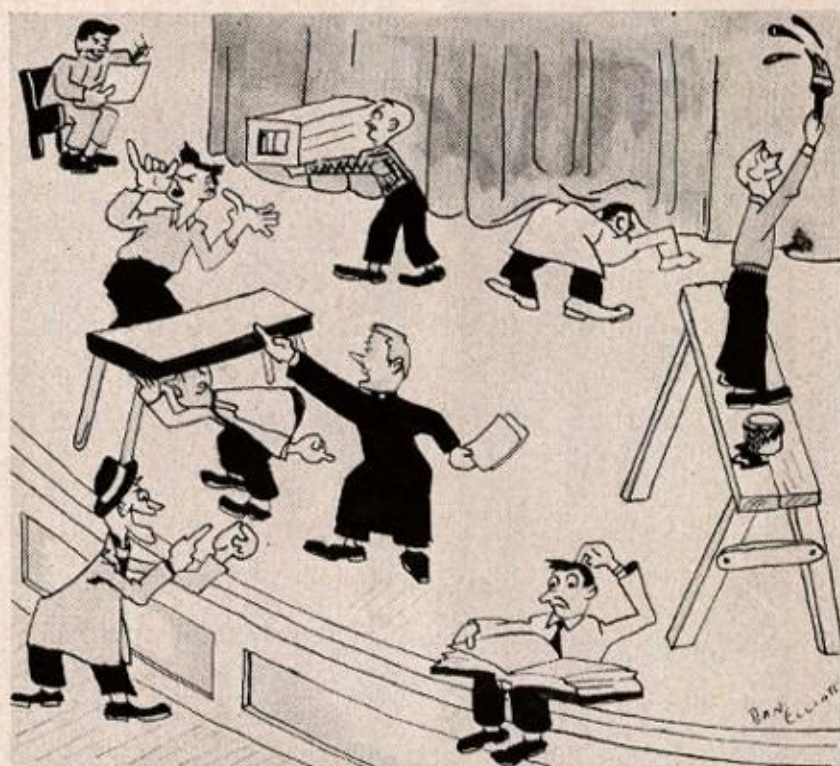

**Apr. 1**—The Gil Dodds' and Bob Mathias' of West 30th participated in their first Senate track meet at the Arena and did "OK" for beginners.

**Apr. 2**—Sodalists held a dialogue Mass in honor of the golden anniversary of the Pope's ordination. The boxers who were still able to stand battered their way through the semi-finals.

**Apr. 8**—Since the finals are over, Commissioners Joe Schram and George Murray have stored the gloves away. I didn't put mine away soon enough. Ouch!

**Apr. 9**—Hopeful eighth graders took the entrance exams. Little do they know!

**Apr. 13**—Sodality retreatants started their closed retreat at St. Stan's.

**Apr. 14 to 29**—Easter vacation. Need I say more? Upon our return the "Queen's Work" issue featured Tom Dugan as its "Sodalist of the Month".

**Apr. 21**—Only a few days behind the Indians, we opened our baseball season with Lincoln, the first of ten regular season games.

**Apr. 22, 23, 24**—Don Schostek, as Edmund Campion, starred in the Harlequin production "Who Ride on White Horses" at the Little Theater. *Semper fidelis*, the *Eye* devoted quite a bit of space to the play.

**Apr. 30**—The Fathers Club lost \$1,000, and a lucky person became that much richer. Thanks to the success of the raffle, the underclassmen will have some conveniences we didn't have.

## MAY

**May 6**—The big wind-bags took over as the Bourdaloue Debate and Speech Contest Finals were held. The way those debaters let off steam I thought that it was a railroad yard.

**May 12**—The Ignatius nine faced some really rugged opposition in the Senate play-off.

**May 17**—The second annual Greek Academy came off in fine style. The only trouble was that no one understood what anyone else was saying.

**May 20**—Our hopeful golfers entered the highly competitive district golf meet. Seniors faces were a mixture of joy and sorrow as our exemptions were announced.

**May 22**—Going "Long-Hair", the band staged its famed concert.

**May 25**—Final issue of the *Eye*.

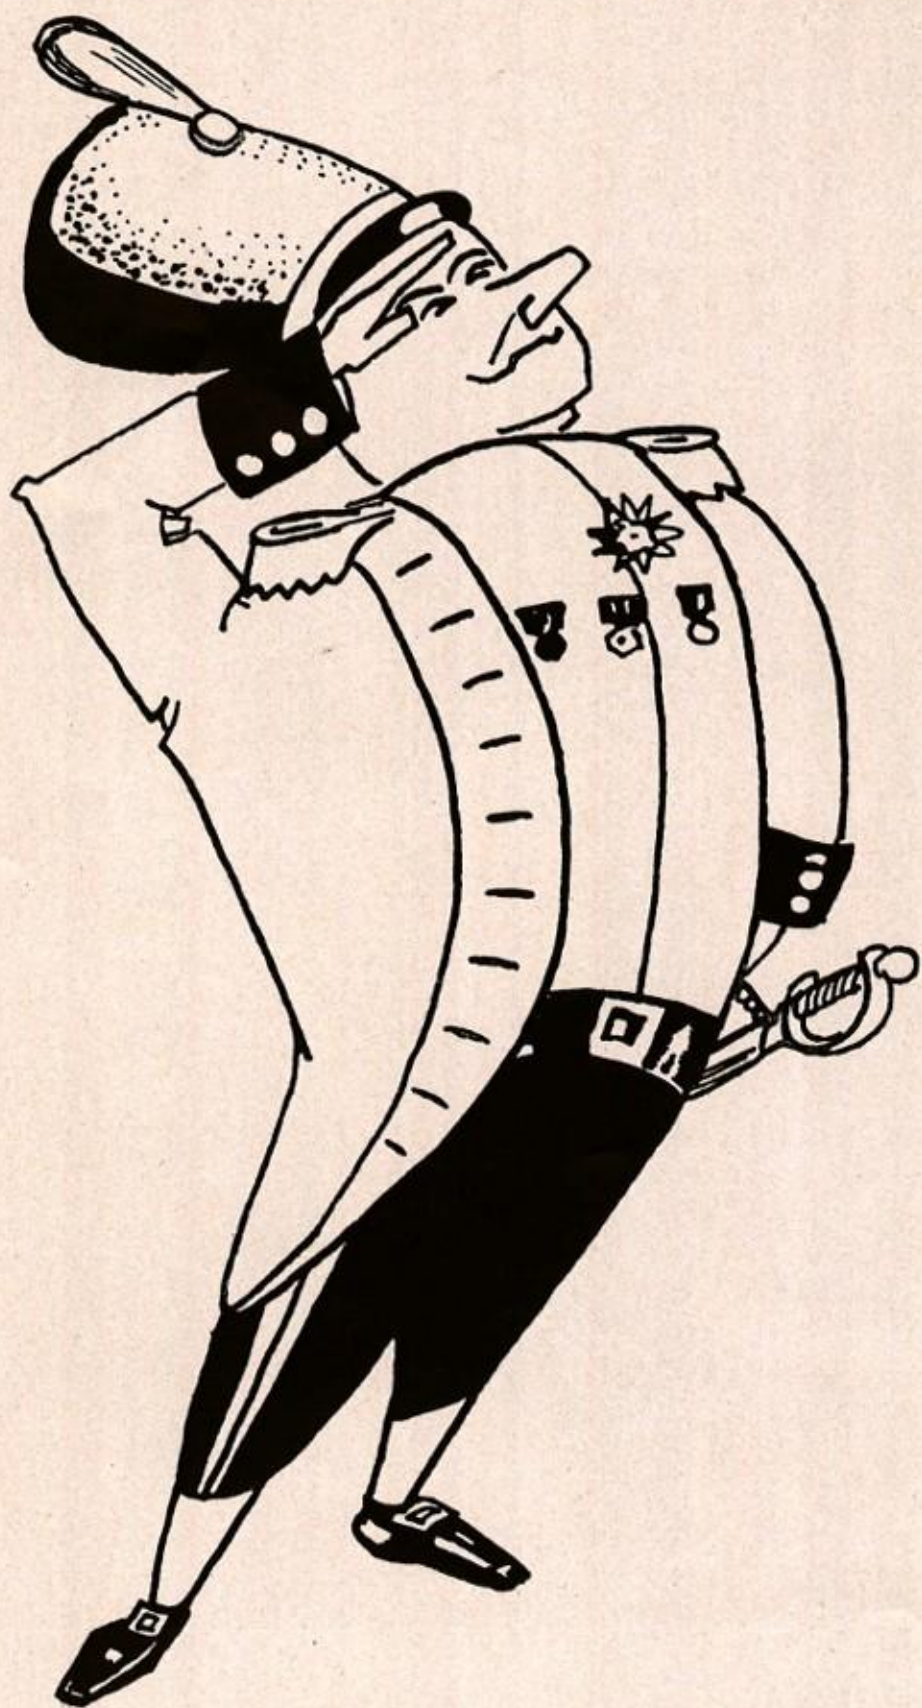

**May 27**—We finished our exams and the underclassmen received, maybe, their exemptions. Female hearts fluttered as they awaited their Ignatius gallants. It is the night of the fabulous Senior Prom.

## JUNE

**June 3**—Graduation. Now is the time when you look back with regret because you didn't work hard enough or get in enough activities. The most we can do is put into effect what we've been taught.

We

Gratefully

Salute

Our Friends

New coaches at St. Ignatius during the past year were energetic, hard-working Coach Fred George and Assistant Coach John Wirtz. Now that they are used to Ignatius and Ignatians, they are looking forward to real success in 1949-1950.

New sports activities at St. Ignatius during the late school year, 1948-1949, were Cross Country and Track. Both of these athletic teams promise to be of great importance in the school's future.

A "Grad" of '37 congratulates the Seniors of '49, and assures them he still remembers St. Ignatius with a warm feeling, as he knows they will, much longer than twelve years from now.

## Acknowledgments

**I**T is difficult to express deeply enough our gratitude to Mr. Edward Wahl of the Cleveland Engraving Company and to Mr. George Vance of the Tower Press.

Both of these men have been most patient and helpful to us and to Mr. Richard Burnham, S. J., our moderator.

Most of the pictures are the work of Mr. Walsh of the Newman Studio and various members of the Camera Club. Sincere thanks to all of them!

The art work in the Senior Diary came from the pens and brushes of seniors Bill Rock and Dan Elliott. To both of them, and to senior Bob Friedel, and to freshman Dick Elliott, many thanks for the dozens of posters they made during the Annual Drive.
